

Favorites Folders

Making favorites folders on the platform allows you to have curated, customizable resource lists that are easy to reference and share with seekers and other DCF staff.

Saving Favorites

- Programs can be quickly added to a favorites folder by clicking “Save” and selecting the appropriate folder (or creating a new folder)
- This can also be done in bulk by selecting multiple programs within the search results
- Users can access their saved favorites within the platform
- Folders can be Personal (only for the logged in user) or Shared (within a user group)
