

## How can I save my favorite programs?

Use the Save button to save your favorite programs to personal or shared folders.

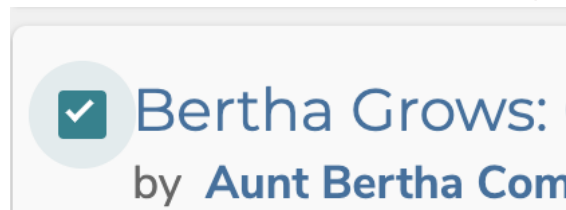

1. On a program listing, click the  button.
  - a. Note: You must be logged in to use this functionality. You will be prompted to log in if you are not.

2. To create a new folder, click “Create New Folder”, enter a folder name, and click Save.
3. If a folder already exists, pick a folder from the drop down list.

4. To save multiple programs to a folder, click the checkboxes next to the program name.

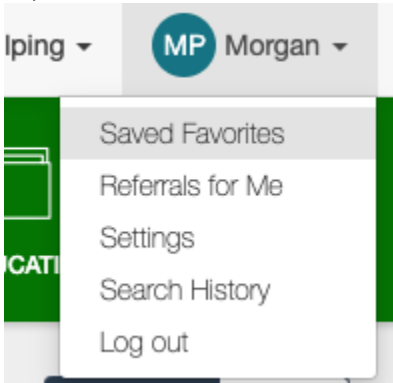

5. At the bottom, a banner will appear. Click the Save button to save all selected programs.

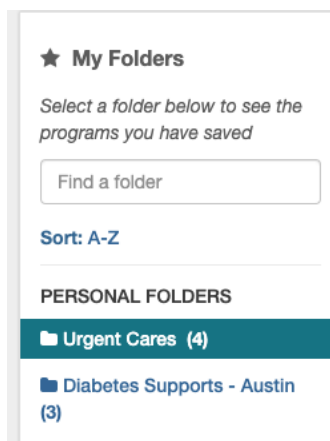

## How can I access those saved programs?

Use the Saved Favorites activity to find and search within your favorite folders.

1. Under your profile on the top toolbar, click Saved Favorites.

2. Click on the favorites folder you want to access on the toolbar on the left. You can also search for favorite folders using the *Find a Folder search bar*.

Note: Programs in the favorites folders sort programs alphabetically by provider name, not program name.
